Sat, 12 Jan 2013 23:53:00 GMT Surgery » Medical Books Free - The Journal of Contemporary Dental Practice, Do not include author names in the manuscript. They are to be placed in the biographical (biosketch) file described below in order to preserve anonymity during the review process. Manuscripts are tracked using a reference number

and author names are added by the editorial staff if a manuscript is accepted for publication. Tue, 28 Nov 2017 23:52:00 GMT The Journal of Contemporary Dental Practice - Jaypee ... - We describe here our experience in using sinus microdebrider to rapidly debulk and sculpt the tissues in cases of rhinophyma correction. We utilized the use of the 4 mm M4 Rotatable Cutting Straight Sinus Blade on a straight Straightshot M4 Microdebrider by Medtronic at 800 rpm oscillation which is normally utilised in our sinus surgery practice. Sun, 16 Dec 2018 00:48:00 GMT Rapid Treatment of Rhinophyma with Powered Microdebrider - Objectives. During anesthesia emergence, patients are extubated and the upper airway can become vulnerable to obstruction. Nasal trumpets can help prevent obstruction. However, we have found no manuscript describing how to place nasal trumpets after nasal surgery (septoplasties or septorhinoplasties), likely because (1) the lack of space with nasal splints in place and (2) surgeons may fear ... Thu, 11 Oct 2018 10:41:00 GMT Double Barrel Nasal Trumpets to Prevent Upper Airway ... - Clinical Guidelines, Diagnosis and Treatment Manuals, Handbooks, Clinical Textbooks, Treatment Protocols, etc. Sat, 15 Dec
