

teaching history with big ideas—cases of ambitious teachers

Mon, 10 Dec 2018 01:30:00 GMT teaching history with big ideas pdf - Big History is an academic discipline which examines history from the Big Bang to the present. Big History resists specialization, and searches for universal patterns or trends. It examines long time frames using a multidisciplinary approach based on combining numerous disciplines from science and the humanities, and explores human existence in the context of this bigger picture.
